8 Subnd with Edn 339-13 (1-3) This was in connection with the delay of the Branch Press at Mysore in printing certain notices etc for a special committee sitting at Mysore, and the Dy of Edn was informed that in the case of matter which does not fall within the scope of standing orders and which the Supdt of the Govt Press cannot execute on account of pressure of other work, it may be got printed privately It is a matter for consideration whether the present recommendation is in the same connection

(13) Budget provision may be made But I have already explained in another file that all such grants are ultimately transferred to the Supdt for printing & all such printing done through or supervised by him

(14) Sd/- illegible

(15) If all this work had been done previously in the Govt Press, such grant as the one now asked for should involve a reduction in the Press Budget This is however a matter for separate consideration
